FOR 2011-13 BUDGET -- NOT READY FOR INTRODUCTION

1/26/11

Don't gen

AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

EDUCATION

PRIMARY AND SECONDARY EDUCATION

Under current law, the Indoor Environmental Quality in Schools Task Force, established by the state superintendent of public instruction is required to make recommendations to DPI for the development of a model management plan for maintaining indoor environmental quality in public and private schools. DPI must, in turn, establish such a model management plan and practices. Each school board and the governing body of each private school that is participating in the Milwaukee Parental Choice Program (MPCP) must implement a plan for maintaining indoor environmental quality in its school or schools.

This bill eliminates the requirement that DPI establish a model management plan and practices and also the requirements that each school board and the governing body of each private school participating in the MPCP implement a plan for maintaining indoor environmental quality in its school or schools.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 118.075 (2) (f) ^X of the statutes is amended to read:

2 118.075 (2) (f) Upon completing its duties under par. (e), the task force shall
3 report its findings and recommendations to the appropriate standing committees of
4 the legislature under s. 13.172 (3) and to the governor. The task force shall cease to
5 exist on the date on which the department issues its model management plan under
6 sub. (3) [✓].

7 History: 2009 a. 96.

8 **SECTION 2.** 118.075 (3) ^X of the statutes is repealed.

9 **SECTION 3.** 118.075 (4) ^X of the statutes is repealed.

10 **SECTION 4.** 119.23 (7) (g) ^X of the statutes is repealed.
